***Catwoman cannot believe that you have managed to get so far! She tries desperately to beat you with word problems.***

1. Ashley has £25 and she wants to give 0.5 of the total to Adam. How much will Adam get?
2. A square has sides that are 6cm long. Hussein wants to make it 100 times bigger. How long will the sides have to be?
3. There are 400 people in school. If they each bring £5 for a charity fundraiser, how much would the school raise?
4. Seven students each bring 80 cakes for the bake sale; how many cakes do they have to sell altogether?
5. Mike wins £420 and decides to give it to his 6 favourite charities. How much would each get?
