

JUST
ONE
TREE

LET'S PLANT TREES

26th March

JUST ONE *Individual*
can make a difference

**Wear Something
Green!**

On the 26th of March, Rochford Primary School are once again supporting 'Just One Tree'.

With every £1 they receive; they plant a tree.

Forests are the lungs of the planet. They clean the air and absorb carbon dioxide from the atmosphere. Their far-reaching roots hold the soil in place binding it together and preventing soil erosion. Hundreds of living creatures call trees their home and each tree plays host to complex microhabitats and whole ecosystems.

To celebrate trees and to raise money for more to be planted across the globe, wear something **GREEN!** Be creative!

socks

shoes

hairband

jumper

tie
