Dear Parents/Carers,

Section 8 Ofsted Inspection 2017

I am very pleased to announce that the Ofsted Report from our recent inspection has been quality assured and is now available for you to view on our website www.rochford.essex.sch.uk. I can confirm that the 'leadership team has maintained the good quality of education in the school' where 'teaching is at least good ... and in some cases outstanding'.

We are thrilled with the findings and I would like to take this opportunity to thank all those parents who completed the online survey with such positive comments and praise for our school. I am sure you will all read the report and agree that your child attends a lovely, forward thinking school where we aim to teach an inclusive and varied curriculum which 'offers pupils many opportunities to take part in really exciting and often adventurous learning'.

Should you require a hard copy of the report then please ask at the office. Also, if you have any questions regarding the report then please do not hesitate to contact myself or a member of the Leadership Team.

I am very proud to be Head of Rochford Primary & Nursery School and am privileged to be working with such a dedicated and talented team who are constantly striving to ensure your children achieve the very best education possible.

Yours sincerely,

Mr. S. Owen

Head of School
