We have a zero-tolerance policy with regard to bullying and are very proud of how well our 'Good to be Green' behaviour system works. Any issues of potential bullying are dealt with swiftly and, where appropriate, families of all children involved are encouraged to take part in resolving the issue to ensure we have a long-term solution rather than a 'quick fix'. Our Anti-Bullying and Harassment Policy is available to download on our website

What do we do?

Progress reports for reading, writing and maths are sent home for the autumn and spring terms with a full report arriving in the summer term. This ensures that parents are kept as well informed as possible with regard to their child's academic progress at key points during the year.

Parent/teacher meetings are held in both the autumn and spring terms. This give parents an extended opportunity to liaise with their child's class teacher to discuss progress, attainment and any other matters which may affect their child's experience at school.

Regular parent meetings and workshops are held throughout the year to keep parents informed and updated with regard to school initiatives and varying approaches to teaching and learning, e.g. Y4 Multiplication Check, Phonic Screening Check, Y2 and Y6 SATs etc. Power points for all these meetings are available on our website under the 'Parent Information' tab.

There is an opportunity at the beginning of the year to meet your child's new class teacher to share yearly expectations and strategies to support your child at home.

Weekly Newsletters for EYFS (Rainbow & Nursery) and KS1/2 are sent home and published on our website to keep parents updated about school issues and events and to celebrate children's successes.

We encourage parents to arrange to speak to the class teacher if there is anything they would like to know or have clarified. Teachers are available for after school meetings, where necessary, Monday, Tuesday or Thursday evenings. The office will always call down to the classroom should any parent wish to speak to the class teacher as a matter of urgency before the school day starts.

Reading Record Books are intended to be used to track your child's reading progress and provide a dialogue between school and home.

We pride ourselves for the level of support we are able to offer not only our children but our families also. We have a strong Inclusion Team to provide excellent in-school support to our children and their parent/carers. Miss Styles (Pastoral Lead) works with many of our parents on a regular basis. Please make an appointment to see her if there is any help or support you may need. She works every Monday, Wednesday and Friday. Miss Styles is available to support any parent in our school.

Clear guidelines for formal complaints are available from the office or our school website.

Whilst we do not operate an 'open door' policy first thing in the morning (due to the fact that the whole school enter through one set of doors), parents are able to ask the office to phone down to class for the teacher should they wish to share any important information for that day. The teacher will come to the office area to chat with parents.

Each year we buy in to external agencies in order to access a whole host of support for both the school and our families. Please speak to our Inclusion Team for further information regarding attendance support, parenting workshops, adult education classes etc.
