

Rochford Primary and Nursery School Sports Premium Report 2018-19

What is Sports Premium?

The government are providing £150million per annum of funding to allow schools to make considerable new investments into the improvement of PE provision following the 2012 Olympic Games. This funding is being provided jointly by the Department for Education, Health and Culture, Media and Sport. It will see the money being delivered directly to Head teachers to consider and invest to improve the provision in their own schools and all the children in them. This funding is set aside and only available for use on sport and PE provision in school.

Our school is continuing to subscribe to the Castle Point & Rochford School Sport Partnership based at The Deanes School. By using economies of scale and working in partnership with other local schools we are able to access a range of services through the specialist staff based at The Deanes School who focus on the delivery of Primary PE and Sport Premium outcomes.

The attached document provides detail of all of the aspects of the offer which we are able to access. These are clearly defined under three headings of Physical Education, School Sport and Health and Wellbeing.

Our School

Funding received in the academic year 2018-19 - **£17,832**

Investment	Cost
Extra-curricular club coaches	£2,200
Contribution towards Sports Apprentice	£2,900
Resources	£2,130
Sports Partnership Subscription	£1,950
School Sport Service Level Agreement (Including Curriculum support over 33 weeks for Whole School)	£9,330 (includes £1,950 fee for membership plan)

Curriculum support over 33 weeks	These services meet the requirements set by government of up-skilling school staff in the delivery of PE, through 33 weeks of team teaching in curriculum time with the teachers and children. This has the effect that our pupils have access to consistently high quality physical education and our staff are suitably enabled when they deliver lessons of their own.
Extra- curricular club coaches	On occasion it is the case that the skill set or time restraints of our staff cannot meet the demands put upon them by the pupils desire to compete locally or nationally. In this instance we have used the Sports Premium funding to hire coaches to train our teams to a high standard so that they might compete to the best of their ability.
PE equipment and resources	As part of our commitment to providing high quality Physical Education we must ensure that both our teachers and PE specialists have access to both relevant and superior equipment. As such, equipment at Rochford Primary school is regularly audited and is replaced or repaired as necessary to ensure we are providing our staff and pupils with the best resources possible.
Sports Partnership Subscription	Please see attached document.
Contribution towards Sports Apprentice	We have employed a Sports Apprentice through the Castle Point and Rochford Sports Partnership who will work with children across the school from EYFS to KS2. Our Sports Apprentice will support Early Years children with Gym Trail (Gross Motors Skills) on a daily basis. He will also support KS1 and 2 with games skills as well as running lunch and break time games and clubs in order to widen sporting opportunities for a range of children. He will also support after school clubs with gymnastics and cricket in order to meet the demands of our pupils wishing to compete locally in these sports.
PE training	As part of our commitment to developing our staff and their capability we have set aside this sum of money to up-level training of teachers. Our Sports Specialist is in school every Wednesday and leads CPD sessions for our teachers through planning, team-teaching and modelling exemplary lessons and practice.

PRIMARY PE AND SPORT PREMIUM MEMBERSHIP PLAN

2017 – 2020

Castle Point & Rochford School Sport Partnership in partnership with the Youth Sport Trust

BASIC MEMBERSHIP – FOR ALL SCHOOLS

- A commitment to an annual fee
- Primary School - £1,950
- Junior/Infant/Special School - £1,700
- SSP membership includes Youth Sport Trust membership with local delivery

OBJECTIVES:

1. To provide high quality support to Primary Teachers across all schools to ensure confidence and competence in curricular Physical Education.
2. To increase the number of opportunities for all young people to access high quality School Sport, clubs, competitions, festivals and targeted projects.
3. To support school leaders in evidencing the impact of Sport Premium funding, auditing needs and developing school strategy.
4. To ensure young people in our schools can access high quality health and wellbeing opportunities to support their overall development.
5. To provide a wide range of fully inclusive events and staff CPD to ensure the PE and School Sport offer reaches all young people and caters for their needs.
6. To provide an infrastructure to support the ongoing development of PE, School Sport and Physical Activity.
7. To enable schools to integrate physical activity within the structure of the school day (achieving 30 active minutes per day).

the Castle Point & Rochford School Sport Partnership
