

Evidencing the Impact of the Primary PE and Sport Premium

Rochford Primary and Nursery School

Sports Premium Funding Strategy 2020-21

Purpose of funding:

Schools must use the funding to make additional improvements to the quality of PE and sport offered. Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

This means that the premium should be used to:

- develop or add to the PE and sport activities the school already offers;
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

Vision:

All pupils leave primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

Objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

There are 5 key indicators that schools should expect to see improvement across:

1. The engagement of all pupils in regular physical activity.
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement.
3. Increase confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for our school and our children and why?

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Access to a wide range of festivals to engage less active students across both key stages. • Utilising the SSP CPD offer to ensure all staff access at least one CPD course. • Promoting regular physical activity both through lessons with specialist coaches, after-school clubs, competitions and other incentives such as the 'Daily Mile'. • Children take part in various sporting competitions across the area with local schools. 	<ul style="list-style-type: none"> • Increase profile of PE/Sport within the school through opportunities for internal competitions, celebrations (e.g. 2020 Olympics) and recognition for a range of sporting achievements (e.g. 'fair play'). • Ensure least active children have the opportunity to get involved with P.E./Sports by offering targeted activities or clubs. • Implement new PE scheme – real PE.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 meters?	85%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	85%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	75%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming, but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes – we contribute through our SSP Basic Membership (see attached) to a partnership wide 'Top Up' Swimming programme.
