

# Year 5 Summer Activities

As we reach the end of another school year - the strangest one ever - I want to thank you all for being such an amazing class. Even though we didn't get to do all the things I had planned, we did have some great experiences, like a brilliant Christmas show, a fantastic class assembly and your incredible performance at the dance festival. You have worked so hard and kept me smiling all year and it has been a pleasure to teach each and every one of you. Have a wonderful summer break and make sure you have lots of fun and stay safe. This final newsletter from me has a few ideas to keep you busy. Remember to check google classroom too as there are lots more activities on there for you to try. See you all in September!

## All about you!

Create a detailed fact sheet all about yourself that you can give to your new teacher. You could include information about your family, the subjects that you like, your hobbies, pets and what you hope to achieve in Year Six. Why not add a self portrait too?

## SUMMER READING CHALLENGE

Keep reading throughout the summer holidays and have a go at the Silly Squad reading challenge. Sign up at:

[Sillysquad.org.uk](https://www.sillysquad.org.uk)

You can set your own number of books to read and everything is recorded online.

Happy reading!

Keep active over the summer! Think about the PE challenges you did in July—juggling, Zumba, volleyball, fitness and tennis. Why not try to do at least 15 minutes of your favourite every day?

# Create your Ideal School

- You can make it any way you like, for example: draw, sculpt, playdough, Lego, junk modelling.
- What are the safety features in your ideal school?
- What are the positives/good things?
- What will the classroom, playground look like?
- What else would you like to add?

## My dream School

Don't forget to keep practising your times tables as often as you can over the summer.

Can you improve your times?

Focus on the tables that you find most difficult and see how fast and accurate you can become.

## 10 Things Challenge

How many of these can you complete before September?

- Bake something
- Build a den
- Grow a plant from a seed
- Make a self-portrait
- Make a mask
- Learn the names of 10 trees
- Write a letter and post it
- Watch the sun rise or set
- Go for a 15 minute run
- Learn a brand new skill
