

We are excited to announce a new addition to our online learning provision!

Math Shed works in conjunction with Spelling Shed (a programme we already use) to help develop pupils' knowledge and recall of times tables, numbers facts and calculation skills. There are fun games and challenges, all accessible on desktop, laptop, tablet and mobile devices.

To access Math Shed, please visit :

<https://play.edshed.com>

Every child has their own unique username which will be provided by their class teacher.

The password is: rps1877

Children in KS2 who already use Spelling Shed will keep their existing username, but will need to use the new password from now on.
